A Calligraphy Exhibit

December 21, 2019 – April 26, 2020

Muzeo Museum & Cultural Center and the Society of Calligraphy present an exhibition of internationally known and student works at the Muzeo Carnegie Gallery from December 21, 2019 through April 26, 2020. The Muzeo Carnegie is open Wednesday through Sunday from 10:00 am to 5:00 pm except on holidays.

2020: A Calligraphy Exhibit is a collection of many beautiful works of the Southern California members of the guild. These calligraphy pieces showcase many hands of lettering, from traditional to contemporary styles. Works includes artists who work in entertainment, advertising and many other industries.

Calligraphers will be on hand to write bookmarks on selected times on weekends along with demos and docents. Many of the works are available for sale through Muzeo. You won't want to miss the educational and fun workshops during the exhibition. Please also join the closing reception with many artists on the last day of the exhibition.
